## STANDING INSTRUCTIONS FOR DOMESTIC WIRE REQUESTS

By completing and signing this Standing Instructions for Domestic Wire Requests ("Form"), I authorize The Bancorp Bank, N.A. (Bank) to record or update as necessary, the Originator and Beneficiary information provided below in connection with my standing instructions for domestic wire transfer requests ("Standing Instructions").

I understand that submitting this Form does not initiate a wire transfer and that a verbal request for a wire transfer made in accordance with these Standing Instructions does not require the Bank to make callback verification to me before sending the wire transfer.

I understand that I will provide the Bank with the amount of the wire transfer and a brief, specific description of the purpose of the wire transfer when the verbal request is made. The Bank has a responsibility to understand each customer's transactions to determine if a transfer fits the customer's profile.

The Bank may consider Standing Instructions null and void if they have been inactive for a period of twelve consecutive calendar months.

For commercial and trust deposit accounts a Wire Transfer Agreement and Signature Card/Application must be on file, and PIN and Caller ID credentials must be provided when making a verbal request for a wire transfer.
